## **Program Descriptions**

**Play and Learn** - The focus on this program is on supporting your child's learning through play. Children will explore their creative sides through music, play, art, and stories.

**Walk & Talk -** In this program we enjoy the wonderful space at Mackenzie Glen District Park and engage in activities that stimulate social, creative, physical, and active experiences. Our educators will meet you in the parking lot at 9:30 am.

<u>Music & Movement</u> - This program will feature activities that explore music through circle time songs, rhythm activities, and outdoor activities. Come prepared each week with snacks, water, sunscreen, sunhats, appropriate clothing for the weather, and if you like your own blanket to sit on. Our educators will meet you under the park gazebo.
