Program Descriptions

Pumpkin Explorations- Join Jacky and Annette at the Link as they explore pumpkins and participate in activities designed to promote new sensory experiences.

Gross Motor Fun!- Come and practice an variety of gross motor activities designed to develop gross motor skills and big imaginations.

Creating with Paint- An immersive program that will encourage your young learner to explore abstract art by experimenting with colour and texture.

Pefferlaw Stroller Walk- Come enjoy the many benefits of walking outside with your young ones. Benefits of fresh air walks include improved circulation for you and improved sleep for both you and your baby. **Pefferlaw Lion's Hall meet in parking lot at 1pm. Program takes place rain or shine! (when necessary, cancellations due to severe weather will be posted on the Georgina Facebook Page).**

#Dr. Seuss Stories -Join our CAPC Georgina Educator Jacky for a Facebook Live as we explore a variety of Dr. Seuss stories. This program will expand language development, improve memory recall and assist with phonological awareness.

Loose Parts in the Garden- Join us at the CAPC community garden, located at Keswick Christian Church, 2 Old Homestead Road, Keswick, as we engage our natural curiosity with loose parts in the garden. **Program takes place rain or shine! (when necessary, cancellations due to severe weather will be posted on the Georgina Facebook Page).**

#Pumpkin Fun: Sharing Songs and Stories- Join Annette on Facebook each week for a lively storytime, as we share songs and storybooks all about pumpkins.

Fun with Leaves- Join Annette at the ROC where we can run, jump and crunch in the beautiful fall leaves. We will also share leaf activities and explore the trails. **Program takes place rain or shine! (when necessary, cancellations due to severe weather will be posted on the Georgina Facebook Page).**

#Homemade Toys and Activities- Join us on Facebook with our CAPC Georgina Educator Annette where she will inspire you to create your own fun activities and interactive toys with items you can find around your house.

York Region Public Health Nutrition Workshop: Feeding Young Children: Topics will include: age appropriate foods, tips for mealtime struggles, supporting and encouraging a positive relationship with food, snacking and reducing picky eating. Target age range 12 months to 3 years **Registration is required as spaces are limited.** **Contact capcyorkregion@yorkchild.ca for more information**
