Program Descriptions

Rhymes and storytelling: Join us for Rhymes and Storytelling, a joyful gathering for children ages 0 to 6, where little ones can play, explore, and build social skills! This enchanting program features rhymes and captivating tales that brighten each child's day. Through engaging stories and playful rhymes, children will laugh, learn, and express themselves, watching their imaginations come to life in delightful ways!

Learn and Play: This indoor program follows a developmental approach aimed at fostering the cognitive, emotional, social, and physical growth of children from birth to six years old through interactive and enjoyable activities. The focus is to provide learning through free play and build positive relationship amongst families.

#Storytelling - Snuggle up in a cozy spot at home and get ready to relax and enjoy a story.

Winter Wonderland- Join us for the Winter Wonderland at Denison Park, designed for children aged 0 to 6 years! Enjoy festive activities like snow-themed crafts, storytelling, and winter magic walk. Bundle up and create joyful memories together in this enchanting outdoor experience!

#Circletime- Join us live on Facebook for a lively, interactive session designed to engage young minds in the joy of music and storytelling. Through age-appropriate songs and stories, children explore language development, coordination, and social interaction in a fun, stimulating environment.
